Take your stacking capabilities up a notch with Upwards. This high density plastic stack chair turns an open space into seated delight without taking up a lot of space when stowed away. Upwards can be stacked up to 25 high and is available with and without arms. Available in six classic color options, Upwards stacking chairs are ideal for learning centers, training rooms, lecture halls, cafés, classrooms, and so more. Move on up to the simple sleekness of Upwards.
